Single sessions are perfect for smaller events such as exercise classes and meetings.

Hall Capacity

The maximum capacity of the hall is 100 people. Tables and chairs are provided for this number.

The hall is approximately 6.6m x 12.4m

Parking

Parking for 12 cars is available at the front of the hall. Additional parking can be arranged on the recreation ground. Parking on the lane outside the hall is not permitted.

WiFi

WiFi internet access is available throughout the hall and is included in the booking fee.

Disabled Visitors

The main entrance to the left of the hall provides step-free access and double doors which are suitable for wheelchair users. The hall also offers a separate disabled toilet / baby change facility for those who wish to use them.

Please note that due to the unusual design of the building, doorways leading from the main hall into the smaller side rooms and kitchen are particularly narrow and encompass a step making them unsuitable for wheelchairs. Please do get in touch if you have any questions.

Kitchen Facilities

The hall has a spacious modern kitchen equipped with an island unit, hob, oven, fridge, a small freezer (located in the store room), kettle and water urn. All are included in the hire fee.

Hire the hall for the weekend...

£750

9am Friday - 11:45pm Sunday

A £300 returnable deposit is payable upon booking

(We make sure this is returned to you promptly after your hire)

3-day weekend sessions are perfect for weddings, lavish parties and exhibitions.

GETTING TO THE VILLAGE HALL

Wytham village is located to the north-west of Oxford and accessible from the A40 via Wolvercote village and the A34 northbound.

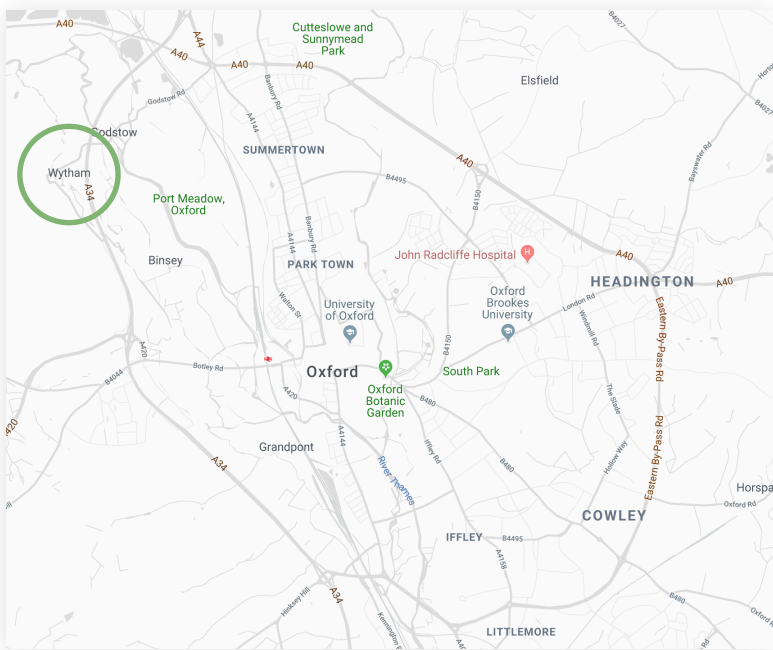

The village hall address is:

GOOD TO KNOW

Music

Wytham is a tranquil village but we appreciate all good parties need music! All we ask is that any music be played or performed inside the main hall and not in outside spaces or marquees.

Decorating the hall

The village hall has recently been refurbished and is a blank canvas for you to decorate and enjoy. We politely ask that nothing be attached to the walls but decorations and bunting can be hung from the beams.

Candles

Tea lights in safe containers are permitted but the use of any other candles is prohibited.

Crockery

Please remember to bring your own plates, cups, glasses and cutlery as we do not hire these out. Don't forget the tea towels!

Alcohol

Serving alcohol at your event is absolutely fine. However, if you intend to SELL alcohol at your event you'll first need to apply to the village hall. With our permission you can then apply to The Vale of White Horse District Council for a Temporary Events Notice (TEN) in your name.

Please be aware the selling of alcohol also includes selling tickets advertising free alcohol.
